

# LNG FACTS

## CHESAPEAKE

AES Sparrows Point LNG proposes to bring 4 million man-hours in construction jobs, \$13+ million per year in taxes, and \$40+ million per year in spin-off business to your area, while lowering your energy costs, and cleaning the environment. Here's a related **LNG CHESAPEAKE FACT**:

### LNG WILL WORK FOR USERS OF THE CHESAPEAKE BAY

- AES will remove contaminated sediments from the Chesapeake Bay, helping to restore its aquatic health by eliminating migration into sensitive areas.
- Storm water run-off will be controlled so that there is a 50% improvement in water quality.
- AES will build the first dredge recycling facility in Maryland. Safe recycling of dredge materials is environmentally preferred compared to other options.
